What is the Quinceañer@s Blessing?

The Quinceañer@s Blessing is a special event, in which part of the religious celebration is taken to thank God and receive His blessing for the life of the youth (girls and boys) who are turning 15 years old.

When is it celebrated?

The Quinceañer@s Blessing is celebrated on the last Sunday of every month during the 1:00 pm Mass with the church community.

PRAYER XV:

Fifteen years ago my parents gave thanks to God for me.

Today I thank God for them, for taking care of me, giving me advice and love: I also thank God for my family and friends.

Thank you God for the light and for the day, for my moments of pain, for all my joy, for the life that you have given me, for my dreams, for peace, unity and love.

Thank you Lord.

Class:

Jesus is my best friend

On the Saturday before the blessing, the youth will take part in the class "Jesus is My Best Friend" held at the Riffle Center, at 11:00 am.
